2. Article 14 – Scrutineering (new to bold)

14.1. Location

Scrutineering will take place on November 5. The exact location and schedule will be published in a Bulletin. **Competitors have 1h30m between the start of administrative checks and the start of technical checks. And an hour between the end of the technical checks and the entrance to Parque Fermé.**

14.2. Timetable

According to the programme. The exact schedule will be published by means of a bulletin.

3. Article 15 – Service Areas and Refuelling (new)

15.9. For the SSV and QUAD, in any Service Area ~~or GAS~~, located in the SS, it's required, the stop in a minimum period of 2 minutes. This time is controlled by Stella III system and this time is for the responsibility of the Rider. The 2 minutes starts when the vehicle is immobilized, in the service area, and these 2 minutes stop, when the vehicle restart the march, in the same place.

~~— During refueling, no further intervention on the vehicle is permitted.~~

- The Stella III equipment displays the countdown on the screen.
- The engine must be Off when the vehicle is immobilized.
- The non-compliance with this rule will incur into a penalty of 10 minutes for each infringement.

The Organising Committee
