

## Info 1 - August 14<sup>th</sup>, 2019

More than 2 months before the biggest motorsport event held in Portugal and, most probably in the world, summed last year 450 competitors (about 650 drivers/riders and co-drivers), Automóvel Club de Portugal is finishing the preparations for the 33<sup>rd</sup> edition of this mythical competition.

The 33<sup>rd</sup> Baja Portalegre 500 will take place from the 24<sup>th</sup> to the 26<sup>th</sup> of October.

This year one of the highlights, is the fact that the final of the newly created Yamaha YXZ 1000 SSV Cup, organized by Yamaha Europe, will be held in Portalegre.

This competition involving 7 countries (organizer's Bajas), will be another point of interest in our event.

Entries are available from August 19<sup>th</sup> to September 30<sup>th</sup>; prices suffer an increase from September 23<sup>rd</sup> on. Registrations are to be done here: <http://provasdesportivas.acp.pt>

**Please be advised that there are a limited number of entries for the various categories as referenced in their regulations.**

### Schedule:

#### **24<sup>th</sup> October**

Administrative checks and Technical scrutineering

Reconnaissance of SS1 (prologue), for all competitors, Cars and Bikes.

Starting ceremony at Jardim do Tarro (city garden), in the city centre of Portalegre.

#### **25<sup>th</sup> October**

Realization of 2 selective sectors, SS1 (prologue) and SS2 with about 90 km, with a regrouping between both, in the city of Ponte de Sor. SS2 starts at Avis and ends as usual at the prologue. Due to logistical reasons the Hobby and Promotion class bikes won't perform SS2.

## 26<sup>th</sup> October

The usual 2 selective sectors for Cars, with about 180 km each and 1 selective sector for Bikes, Quads and SSV with about 350 km.

The Promotion classes, Car and Bike, will only perform a selective sector of about 200 km.

At the end of the day the Podium Ceremony (Parc Fermé) will be held and later the usual Prize Giving Ceremony at Nerpor.

This year we will introduce some new features along the itinerary. We will use tracks that we have not travelled for a long time and other that are completely new.
